Studio-out-of-the-Box

Since photography has become digital, more and more pictures of small objects are taken, included on websites to improve offering with internet auctions or to digitally archive collections. More and more images are also included with e-mails.

Studio-out-of-the-Box was designed to be a multiple problem solver: Camera mounting, object positioning and background are handled "out-of-the-box", and as an accessory there is also a lighting solution.

All will fit on your living room table - or wherever you want to place your temporary studio. Studio-out-of-the-Box is primarily a 30 x 45 cm / 12 x 18"

open-profile baseboard with a drawer and with a smart trapeze stand snuggling outside the baseboard. This makes it possible to fold it resulting in a rather compact unit that fits in the box.

The object is placed on the baseboard, the drawer holds a frame that unfolds to carry the included background roll. The background roll is only supported by the frame and that makes it easy to use wider backgrounds. If the drawer is removed completely and turned upside down, it increases the length of the studio base by 30 cm/12".

Opening the trapeze stand reveals its function: a camera mounted on the pivotable and relocatable platform can be positioned at any angle, any height and various distances from the object. The trapeze stand can be easily adjusted and holds the camera in any position. When shooting vertically from a top-down position the camera platform can be locked by two sliding guide bars in a way that the vertical position will remain as the trapeze is rotated.

An optional lighting unit can easily be attached to the main table and will also fit in the box.

5911 Studio-out-of-the-Box

Compact foldable studio for digital photography. Comprises table, background support, background material and trapeze stand for cameras up to 500 grams.

On the trapeze stand the camera can be positioned in many different positions and in different height and distance from the object. The camera platform is pivotable and relocatable and can be locked for vertical shooting position. Suitable for almost all digital compacts.

Table can be extended, background can be positioned in different heights. Background roll included, approx. 40 cm (15.7 in.) wide and 130 cm (51.2 in.) long. To support wider backgrounds a clip-on rail is included.

Dimensions (folded):
585 x 57 x 330 mm (23 x 2.2 x 13 in.)

Supplied with carrying box:
605 x 485 x 100 mm (23.8 x 19.1 x 3.9 in.)
(without handle)

5914 Studio-out-of-the-Box Lighting Set

Contains two lights, adjustable in height, pivotable and tiltable, mounted on tilting holding arms. High frequency operation with integrated electronic ballasts.

On/off switch on housing.

Lamps: 2 x 8 watts, approx. 4000 Kelvin,
approx. 5000 hours service life.

Mains lead: 2 x 1.9 m (6.2 ft.)

5909/2133 Replacement Lamp

For 5914.

5909: Fluorescent lamp, 8 watts, approx.
4000 K, approx. 5000 hours service
life. 1 piece.

2133: Fluorescent lamp, 8 watts, approx.
5400 K, approx. 8000 hours service
life. 1 piece.)
